

**B. SOLEMNITIES OF THE LORD IN THE YEARLY CYCLE****SOLEMNITY OF THE HOLY TRINITY**

My dear friends, Christ has made known to us the saving mystery of the blessed Trinity. The Father has given us himself in truth and love through his Son and the Holy Spirit. Let us pray with confidence, knowing that God has given us himself.

Pour out your grace on the bishops of your church, and help them to lead your people in truth and love. Lord, hear us.

Lord, hear our prayer.

Help the nations of our world to form a single family and may the dignity of each person be everywhere respected. Lord, hear us.

Lord, hear our prayer.

Help the sick, give comfort to those in pain and make them well again through Jesus Christ your Son. Lord, hear us.

Lord, hear our prayer.

Send your Spirit into our lives to make us one in truth and love, and to bring us to communion of life with you and your Son. Lord, hear us.

Lord, hear our prayer.

Father in heaven, through the mystery of the Trinity you have made us see that life is a gift to be shared and no one lives for himself alone. Help us to share our lives with others and to make you known in truth and love. We ask this through Christ our Lord.

Amen.
