## Saint of the Week: St Benedict, July 11

St. Benedict was born at Nursia in Umbria in about 480 and was sent to Rome to be educated, but soon left the world to live a solitary life at Subiaco. After living in a cave in the mountains for two years as a hermit, he had acquired such a reputation that disciples came in numbers to join him and important Roman families entrusted him with the education of their children. He organized a form of monastic life in twelve small monasteries. Under his guidance, as abbot, the monks vowed to seek God and devoted themselves to work and prayer. A few years later St. Benedict left the district of Subiaco to found the great abbey of Monte Cassino on the heights of Campania. There he wrote his Rule in which are wonderfully combined the Roman genius and the monastic wisdom of the Christian East. St. Benedict died in 547.

## PRAYER OF ST. ALOYSIUS TO THE BLESSED MOTHER

O Holy Mary, my Lady into your blessed trust and safe keeping and into the depths of your mercy, I commend my soul and body this day, every day of my life and at the hour of my death.  
 To you I entrust all my hopes and consolations, all my trials and miseries, my life and the end of my life.  
 By your most holy intercession and by your merits, may all my actions be directed and disposed according to your will and the Will of your Divine Son.  
 Amen. Mary Help of Christians,  
 Pray for us.
