End of Life Pastoral Letter - Archbishop Costelloe SDB. 24 Aug 2018

We must be very clear that doctor-assisted suicide and euthanasia are never acceptable in a truly compassionate society. Compassion is the ability of one person to accompany another caringly through their journey of pain and suffering. Compassion challenges us to become more humane and caring people. Doctor-assisted suicide and euthanasia represent a surrender to despair. *Extract. Read full letter on the notice board.*

Children's Liturgy This is an invitation to all primary school children, even those who have made their First Communion, to join us in the Children's Liturgy session held during Sunday Mass. Our activities can be geared from pre to upper primary and we encourage the older children to support our younger members. We hope you will join us!
