XVI Ordinary General Assembly of the Synod of Bishops

Catholics across Australia are invited to participate in a period of local consultation for the next international Synod of Bishops, which has the theme: "For a Synodal Church: Communion, Participation and Mission". The People of God are invited to use a guided, prayerful reflection method to consider a series of questions and make submissions via an online portal. Those submissions will help the Bishops develop a national report to support the global process leading to an international gathering in 2023. Aware that a synodal Church is a Church that listens, considering that this first phase is essential for this synodal path and evaluating these requests, and always seeking the good of the Church, the Ordinary Council of the Synod of Bishops has decided to extend until August 15, 2022 the deadline for the presentation of the summaries of the consultations by the Episcopal Conferences, the Oriental Catholic Churches *sui iuris* and other ecclesial bodies. For more information go to <http://www.catholic.org.au/synodalchurch>.

Plenary Council Assembly. The draft proposals and individual interventions from the 280 members of the first Assembly of the Plenary Council (3 – 10 October 2021) were published this week. They can be found at <https://plenarycouncil.catholic.org.au/>
