### SUMMER SINGING AT ST MARY'S CATHEDRAL

Join us for some Summer Singing sessions and encounter the amazing riches of our church's musical heritage! Sessions are specifically aimed at singers between ages 15-25 and will feature music spanning 2000 years of our history. The sessions take place during January and February, are no obligation and are free of charge. Participants need not attend all sessions. We also welcome inquiries from anyone interested in pipe organ playing skills. For information (including specific dates and times) please contact Jacinta (Director of Music) on [music.cathedral@perthcatholic.org.au](mailto:music.cathedral@perthcatholic.org.au) or 08 9223 1377.

### 25 Mar - 27 Mar A COURSE IN READING GREGORIAN NOTATION FOR MUSICIANS

The term 'Gregorian chant' is often used to refer generically to all the non-polyphonic repertoire of the Latin Church. This large and varied body of repertoire by no means represents a single or unified style, tradition, or approach; and the performance and notational practices of Gregorian chant in current use emerged as a result of a 19th Century reform movement. This course will provide a theoretical background, and practical instruction in how to read Gregorian notation, for those who are already able to read standard musical notation. Presenter Fr. Robert Nixon, OSB. *Further info:* [institute@newnorcia.wa.edu.au](mailto:institute@newnorcia.wa.edu.au)

### Cleaning the Church

The church cleaner is finishing up shortly. Do you know anyone who could take this on? Have them contact Father Manoj to discuss details.

### Welcome to Country

The parish of St Aloysius acknowledges the traditional custodians throughout Western Australia and their continuing connection to the land, waters and community. We pay our respects to all members of the Aboriginal communities and their cultures, and to Elders both past and present.
